Spiked Mesh Stitch Hat

Instructions:

Begin Increase Rounds:

To determine how many increase rounds to do, 1) decide on the size you want 2) refer to the chart at the end of this pattern 3) measure your flat circle diameter and stop increase rounds when the desired measurement is reached.

Round 1: With Main Color, Magic Loop or method of your choice, CH 2, 8 HDC in circle. (8sts) **Place a marker in the first HDC of this round.**

Round 2: *2 HDC in each stitch* (16sts) **Remember to replace marker in the first stitch of the round.**

Round 3: *2HDC in the first st; 1HDC in the next.* (24sts) Replace marker.

Round 4: *2HDC in the first st; 1 HDC in the next 2 stitches* (32sts) Replace marker.

Round 5: *2HDC in the first st; 1 HDC in the next 3 stitches* (40sts) Replace marker.

Round 6: *2HDC in the first st; 1 HDC in the next 4 stitches* (48sts) Replace marker.

Round 7: *2HDC in the first st; 1 HDC in the next 5 stitches* (56sts) Replace marker.

Round 8: *2HDC in the first st; 1 HDC in the next 6 stitches* (64sts) Replace marker.

(For me, Round 8 makes a child-woman (adult small sized) hat. Refer to a hat sizing chart, measure the Flat Circle Diameter and adjust number of increase rounds for the desired hat size.)

Continued...

Non-Increase Rounds: (For Rows 8-14 in Sample Hat) HDC in each st around.

Begin the Spiked Mesh Stitch Pattern*:

Round 1: Work 1 more HDC BUT *finish with a new color of yarn!* (Just drop the main color of yarn. No need to cut it!) *HDC, chain 1, skip a stitch.* Repeat around and *finish your last HDC with a new color of yarn!*

Remember, we have no seam to deal with so we can begin our new color “early.” (Just drop the main color of yarn. No need to cut it!)

Round 2: *Chain 1, skip a stitch, HDC into the stitch in the row below (aka “spike”)* Repeat around until you have 1 stitch left and *finish your last HDC Spike with a new color of yarn!* (Just drop the main color of yarn. No need to cut it!)

Next Rounds: Repeat Round 2 with the colors of your choice until the Spiked Mesh band is as long as you’d like. Be sure to reference a sizing chart for the proper hat height for the size you’ve chosen.

Optional Edging: *Chain 1, HDC Spike into the row below, SC.* Repeat around. (The single crochet stitches will “fill in” the mesh pattern so there will be no holes.)

Finish off and weave in ends.
